Dear Rabbi Schneier:

It was our great joy to receive your invitation to the 25th Anniversary Dinner of the Appeal of Conscience Foundation honoring His Eminence Cardinal Agostino Casaroli from the State of the Holy See.

The Foundation has been exemplary in its work, standing as an international symbol of how the faithful of many different paths can join hands and walk together on one road to peace, human dignity and justice. The contributions of Cardinal Casaroli to humanitarian efforts, his leadership and wisdom are all in keeping with the character of the Foundation and its goals. We thank God for the ministry with which he was blessed and for his strength and grace.

May God bless you all and may His Spirit be ever with you on the glorious journey of service in His name.

With prayers

Vasben I.
