TO EVERYONE GATHERED FOR THE APPEAL OF  
CONSCIENCE FOUNDATION DINNER

My heartfelt congratulations go to Alan Greenspan and Gilbert Grosvenor on being honored by the Appeal of Conscience Foundation.

For 23 years the Appeal of Conscience Foundation has stood firm for fundamental human rights, particularly the right to worship the God of one's choosing. The foundation's important work is of tremendous benefit to millions around the world. Indeed, you have a great deal of which to be proud.

Please accept my best wishes for a most successful and memorable dinner.

Sincerely,

George Bush
